## PROFESSIONAL EXPERIENCE

### **Customer Support Experience Specialist (Remote)**

**Serlzo – All-in-One Marketing Software October 2025**

Handled end-to-end customer support across onboarding, account management, billing, and technical troubleshooting in a remote environment.

#### **Key Achievements**

- Managed 85 customer cases with a 100% resolution rate, ensuring all issues were fully resolved without backlog.
- Delivered clear, professional explanations to both technical and non-technical users, improving customer confidence and satisfaction.
- Independently resolved complex issues including WhatsApp bans, Sender ID approvals, chatbot failures, subscription errors, and payment disputes.
- Processed refunds, escalations, and account recoveries accurately while adhering to company policies.

- Maintained timely responses during high-volume periods, including promotional campaigns, without compromising quality.
- Collaborated with internal teams to escalate and resolve system-level issues impacting customers.

### **Support Responsibilities**

- Guided customers through onboarding, feature usage, and compliance requirements.
  - Diagnosed system errors, usage limitations, and integration issues using analytical thinking.
  - Managed multiple conversations simultaneously while maintaining professionalism and empathy.
  - Provided WhatsApp safety guidance, chatbot debugging support, and feature feedback documentation.
- 

## **EDUCATION**

**Federal University of Technology, Minna** B.Tech — Cyber Security Science 2022 – Present

**Topaz International School, Minna, Niger State** High School Certificate – August 2020

- Awarded Best in Mathematics and English (SS1-SS3)
